The Women's Grievance Cell was formed in this institution as per the guidelines received from S.G.B. Amravati University vide letter No. संगबाअवि/७-७/०९/१४०८/०६ दिनांक २०-१२-२००६ and the guidelines of Government of Maharashtra.

Since its inception in December 2006, it was unanimously decided that the Cell should go beyond its brief of grievance redressal and play a more proactive role towards gender issues in order to provide a congenial working atmosphere to its women employees. This would be undertaken through organization of guest lectures on issues related to women's legal rights, health and empowerment. The inauguration of the Cell was done in January 2007. A Guest lecture by renowned Lawyer, Doctor or Social worker was arranged in December every year.

### **Functions of the cell:**

environment. The cell informs the campus community of their right to a respectful work and learning environment. It believes that if we practice respect, exercise empathy through our interactions with the other so that we do not hurt anyone though what we say or do then we can create a campus that is free of sexual harassment and violence. Simple respect for all on the campus community is thus the focal point. The cell is committed to achieves these objectives through:

**a) CONSCIOUSNESS-RAISING WORKSHOPS & GUEST/EXTENSION LECTURES:**

The cell conducts effective programs about sexual harassment for faculty, non teaching staff and students through the lectures of eminent personalities from NGOs, civil authorities, academicians and experts working in the area like Doctors, Lawyers and Social Workers. The aim is to develop nonthreatening and no threatening atmosphere of mutual learning.

The cell also conducts the activities like elocution competition, etc to create awareness Confidential counselling service is thus important as it provides a safe space to speak about the incident and how it has affected them.

**FUNCTIONS OF THE CELL**

**Procedure to file/report a complaint:**

If the case comes under the purview of the cell, an enquiry committee will be set up. The committee will submit a report and recommend the nature of action to be taken at the earliest by the appropriate authority.

**THE TYPES OF SEXUAL HARASSMENT THAT CAN HAPPEN ON CAMPUS:**

Sexual harassment at work place is generally classified into two distinct types. 'Quid pro quo' and "Hostile working environment".

"Quid pro quo", means on the lookout for sexual favours or advances in exchange for work benefits and it occurs when consent to sexually open behaviour or speech is made a cause for employment or refusal to comply with a 'request' is met with penalizing action such as dismissal, demotion and difficult work conditions.

"Hostile working environment' is more persistent form of sexual harassment involving work conditions for the women to e in. certain sexist remarks, display of pornography or sexiest/ obscene graffiti, physical contact /brushing against female employees are some examples of hostile or antagonistic work environment. The word 'unwelcome' is the key in defining sexual harassment. It is the impact and effect the behaviour has on the recipient that will define the behaviour as sexual harassment,

### **THE REMEDIES:**

It is the statutory responsibility of all the employers or responsible heads of institutions to set up definite conduct rules and preventive measures to stop sexual harassment in their workplace or institutions. The guidelines direct employers to set up procedures through which women can make their complaints heard. A complaint committee headed by a woman, and of which at least half the members are women, is formulated to look into complaints of sexual harassment. To prevent undue pressure from within the organizations, the committee has included a third party representative from non-governmental organization (NGO) or any other individual acquainted with the issue of sexual harassment. All complaints are handled in a confidential manner within a time bound framework. An annual report is prepared and submitted to the concerned authority.

### **THE PREVENTIVE MEASURES:**

1. The guidelines talk about preventive steps that are to be taken by employers like, as express prohibition of sexual harassment as defined above should be notified, published and circulated in appropriated way s
2. Amendments of conduct and service rules to include sexual harassment as an offence and provide for appropriate discipline against the offender.
3. In addition to preventive and remedial measures, the court has also stressed the need for awareness rising in the workplace.

### **SEXUAL HARASSMENT AT THE WORKPLACE:**

In 1997, the Supreme Court acknowledged and addressed the matter of sexual harassment at the workplace. The judgment formed mandatory sexual harassment prevention guiding principles for the work plan, applicable all over India. The understanding and information about it can lead to a workplace free of sexual harassment for all persons.

Sexual harassment injects the most humiliating sexual stereotypes into the common work settings and always represents a deliberate assault on a person's personal privacy.

### **WHAT CONSTITUTES SEXUAL HARASSMENT AND VIOLENCE AT THE WORKPLACE?**

The Supreme Court's order states that sexual harassment is any unwelcome:

- Physical contact and advances.
- Demand or request for sexual favours
- Sexually coloured remarks
- Display of pornography
- Any other unwelcome physical, verbal or nonverbal conduct of a sexual nature
- Violent conduct or treatment or unlawful use of force.

Harassment can take the appearance of banter i.e. teasing, mockery, joking, repartee, wit, chitchat, atc or even take on the shape of unwelcome physical contact. At times, a boss may bring into play sexually tinged language with a colleague, order for a meeting after office hours for a relaxed and peaceful dinner for two, or threaten carrier options by means of sexual harassment. Basically it is any unwelcome word or actions of sexual temperament. For example:

- Refusal of payment or official endorsement in the absence of sexual favours.
- Pornographic pictures/ messages displayed on desks, boards or sent by e-mail
- Comment made about personal appearance and dress
- Coloured jokes shared in the office that make others feel uncomfortable.

Realize that sexual attention becomes harassment when it is "unwelcome". Whether the performer deliberately sexually harasses another is not the concern. How the critical because of the subjective characteristic of sexual harassment? It is vital to comprehend what distinguishes sexual harassment from "friendly" behaviour. Friendly behaviour is welcome and reciprocated. Precautionary measures are sure to assist in building of a more industrious and focused work environment where employees are comfortable and secure. Knowing and understanding that sexual harassment is about exercising power and control by embarrassing and by embarrassing and by pressuring will help in understanding and dealing with complexities of this concern.

### **WHETHER THE SUPREME COURT GUIDELINES APPLY TO OUR CAMPUS?**

All government and private sector organizations, hospitals, universities and unorganized sector come under the purview of these guidelines. Women, who either draw a regular salary, receive an honorarium or work in a voluntary capacity will in particular benefit from these guidelines. The lady students, whether a student of any school or a research fellow, are covered under this.

### Introduction

Ragging has ruined countless innocent lives and careers. In order to eradicate it, Hon'ble Supreme Court in Civil Appeal No. 887 of 2009, passed the judgement wherein guidelines were issued for setting up of a Central Crisis Hotline and Anti-Ragging database.

In accordance with the orders, UGC (University Grants Commission), Govt. of India has developed this web portal. This portal will contain

1. Undertaking confirmed by each student and his/her parents or guardians, which will then be stored electronically and will contain the details of each student.
2. Record of registered complaints received and the status of the action taken.

The aim of the portal is to eliminate ragging in all its forms from universities, deemed universities and other higher educational institutions in the country. This will be achieved by

preventing its occurrence and punishing those who indulge in ragging, in accordance with the Supreme Court Regulations.

Kindly view Information Pack to know more details about ragging and its regulations.
